Preliminary Review of Provisional Ballots, February 9, 2016

Jacksonville North Pulaski School District Special Election

Fifteen provisional ballots were reviewed. The following results were as follows:

Seven (7) ballots were ruled eligible

Five (5) ballots were rejected - unable to determine eligibility

Three (3) ballots - eligibility could not be determined due the state of the Lonoke County voter database rolls. Mr. Poe recommended contacting the Lonoke County Clerk's office to determine eligibility of these voters so they can be notified of the disposition of their vote. Because this has been a recurring problem with Lonoke County, Commissioner Boyle moved to have the Pulaski County Election Commission contact the Lonoke County Clerk's office regarding these three ballots and letting that office of the recurring problem and contact, as well, the State Board of Election Commissioners and the Arkansas Secretary of State in an effort to resolve this issue going forward. Commissioner Gorman seconded the motion. Motion passed by voice vote.

Preliminary Review of Provisional Ballots, February 9, 2016

There were eleven (1) ballots to review. The preliminary decision was as follows:

Three (3) ballots ruled eligible

Eight (8) ballots were rejected
